

WE MAKE THE CHANGE

Give a little. Help a lot.

Highline Public Schools Annual Employee Giving Campaign

Highline Public Schools is continuing its partnership with two vital non-profit organizations for its annual employee giving campaign. Highline Schools Foundation and United Way of King County both work to support students, teachers and the community and have a direct impact on our mission.

These two organizations are effective, efficient and accountable. Highline Public Schools is confident that both organizations will use our donations wisely. You can support any non-profit through United Way¹.

Employees have the opportunity to make gifts directly to either organization by cash, check or credit card. You may also make a recurring gift through payroll deduction to maximize the impact of your donation.
