

WE MAKE THE CHANGE

Give a little. Help a lot.

Highline Schools Foundation's mission is to raise funds, gather resources, and build partnerships that support the students in Highline Public Schools. The Foundation is a bridge to opportunity for students in Highline, and we make an impact on their success. We help our district fulfill its promise—that every student is known by name, strength and need, and graduates ready for college, career and citizenship.

Funding for Highline Schools Foundation comes from individuals, businesses, service groups, events and generous donations from district employees. Please support our work in Highline Public Schools by pledging to the Highline Schools Foundation.

100% of your pledge will be directed to the Foundation.

WHERE YOUR DONATION GOES:

- **Classrooms:** We support basic and innovative classroom needs through our Excel and Impact Grant programs—over \$110,000 will be donated to classrooms this year!
- **Arts & Athletics:** We help get students new or refurbished musical instruments, support arts programming in schools and help cover sports participation fees so students in need can play their desired sport.
- **College & Career Readiness:** We offer a substantial needs-based college scholarship program for both four (4) and two (2) year institutions for our district's graduating seniors and partner with the district on a scholarship program for outstanding scholar/athletes. Last year, we distributed over \$200,000 in scholarships to students in Highline.
- **Students & Families in Need:** About 65% of our district's students live in poverty. To date, there are 770 students who qualify for McKinney-Vento services and over the last several years this number continues to increase in Highline. The Foundation provides support for their basic needs like food and clothing, so they can come to school ready to learn.
